

## ECHF SPONSORSHIP FORM

**Promote your business while supporting a great cause.  
All levels of sponsorship are available!**

The East Coast Halter Futurity is proud to announce our 4th annual futurity to be held on September 2, 2017 located at the Virginia Horse Center in conjunction with the Virginia Paint Horse Show in Lexington, Virginia.

The Futurity is open to all stock breed registered horses. Our futurity was established to bring the fun back to showing for all ages and all levels of competition while also promoting the stock breed horses.

We are a non-profit event. All our committee members are volunteers and we care deeply that we work together to grow our futurity while keeping our expenses to the very minimum. As with any venture there are expenses, such as judges, ring personnel and advertising to name a few. Rest assured we strive to keep every penny, putting all we can right back into the futurity for you. We appreciate all our volunteers who work hard all year to bring you the very best futurity on the East Coast.

*Below are the levels of sponsorships we have available and a little info on each.*
